

Sands New Zealand
National Conference

11-12 November 2011

Wanganui Function Centre
Purnell St
Wanganui

Sands
25 years of being there

In 2011, Sands celebrates 25 years of being there for New Zealand families.

The national conference seeks to explore how after 25 years, there are still so many taboos around the subject of baby loss. Themed "Let's talk about it", we go behind the whispers and discover the diversity of issues presented to families and professionals to create a greater understanding of the impact of the tragic loss of a baby.

Presentations include: (Subject to change)

- Funerals for Babies
- Twin/multiple birth loss
- Subsequent pregnancy
- Post Natal depression, Post Traumatic Stress Disorder & grief
- Professional self care & peer support
- Parent panel
- Miscarriage
- Counselling
- Gay and lesbian loss
- Maori & other cultural or religious diversity
- Sibling grief & support
- Fatal diagnosis; termination & continuation of pregnancy
- Father's panel
- Family mental health
- Couples & loss

Join us as we celebrate 25 years of being there at the Gala Dinner - \$55.00 per head
